together

Author's Notes:
English is not my former language.

I knew we were meant to be together. Even when I was in the farm. I knew there was someone waiting for me, calling me through our hearts. I knew I had to heal and complete him. I knew when we find each other our hearts would recognize no matter if we had never seen us before, he'd teach me to be strong and I'd teach him what love is.

And, when we met in that old building, his eyes told me I was with the person who was meant to be. In the place I was meant to be.
